SPEEDO CONTOURED SWIM PADDLE

Helps develop proper stroke mechanics. Made of lightweight polypropylene material with rubber strap. Paddles are contoured to fit hand. Wrist strap for better paddle control.

Color: Multi (082)		Sizes: S, M, L	
ITEM #	EACH	6+	12+
7530008	\$16.00	\$13.30	\$11.40

SPEEDO I.M TECH PADDLE NEW

Multi-stroke technique paddle designed to feel the "catch" phase of all 4 swimming strokes. Paddles interchangeable between right and left hands for specific stroke techniques. Pronounced edge promotes better feel for "catch" phase of each stroke.

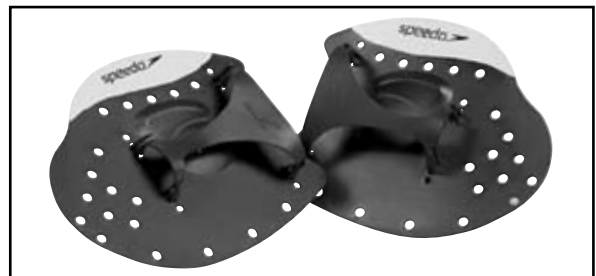

Color: Red (006)		Sizes: S/M, M/L	
ITEM #	EACH	6+	12+
7530365	\$19.50	\$17.65	\$14.95

XXS	UV Green (791)
XS	Deep Orange (076)
S	Blue (004)
M	Red (006)
L	Yellow (072)
XL	Burgundy (060)

ITEM #	EACH	6+	12+
71500	\$14.00	\$11.65	\$10.00

SPEEDO POWER PADDLE

Broad blade for optimal water contact. Holes allow water to channel through paddle, which increase fluidity of each stroke. Adjustable wide area wrist and finger strap.

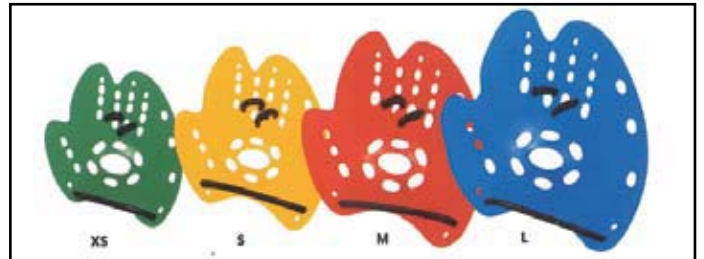

Color: Multi (082)		Sizes: S, M, L, XL	
ITEM #	EACH	6+	12+
7530165	\$20.00	\$18.10	\$15.25

SPEEDO BIOFUSE FINGER PADDLE

These paddles are great for sculling and breaststroke. Biofuse technology allows paddles to flex naturally. Perfect for all levels of swimming.

ITEM #	EACH	6+	12+
7530258	\$16.00	\$13.30	\$11.40

TYR MENTOR HAND PADDLE

The Mentor is perfect for swimmers of all levels, from fitness swimmers to triathletes. Paddles are lightweight PVC foam, holes designed to maximize water feel. "Alluvial Wing" designed to reduce shoulder stress. Convex palm dome fits natural swimming hand position. Color coded by size: XS(Green), S(Yellow), M(Red), L(Blue)

ITEM #	EACH	6+	12+
LMENTOR	\$21.00	\$17.50	\$15.00

SIZING CHART FOR CATALYST PADDLE

Size	Recommended Use
XXS (0)	Beginning Swimmers
XS (1)	Young Age Groupers (8-12 Years)
S (2)	Older Age Groupers (12+ Years), Beginning Masters
M (3)	Older High School Males, Sr. National Females, Triathletes, Mid-Level Masters.
L (4)	Strong Collegiate Swimmers, Sr. National Males, Advanced Triathletes, Water Aerobics.
XL (5)	Very Strong Swimmers, Water Aerobics

TYR CATALYST™ BRITES

The Catalyst helps improve stroke technique while building strength. Its patented unique keyhole design helps more evenly distribute pressure while improving water feel and reducing shoulder stress. Constructed of light-weight, injection molded, UV resistant polypropylene. Paddle has smooth edges and multi-hole strap design for custom centering on hand. U.S. Patent No. 5,511,998

ITEM #	EACH	6+	12+
LVC	\$17.50	\$14.60	\$12.50

TYR CATCH PADDLE

Catch paddles are designed to develop a better feel for the water. Extended side-blade design over exaggerates the "catch phase" of all strokes, making technique imperfections easier to feel. Smaller paddle surface area reduces shoulder stress. Incorporate into power workouts to develop race-feel and technique at closer to race pace. Color coded by size: XS(Green), S(Yellow), M(Red), L(Blue)

ITEM #	EACH	6+	12+
LCATCH	\$15.50	\$12.90	\$11.05
