

COLORADO TIMING SYSTEMS

System 6 Sports Timer

System 6 consists of a multi-sport computer console, swim and diving keyboard inserts, built-in clock calendar, and cable harness. Timing and placing capability for up to ten individual lanes. Includes data transfer to IBM or compatible computers. Timer is compatible with all Colorado Time Systems equipment.

SYS6 \$4500.00

Infinity Start System

The Infinity start system consists of a start module, 30-watt corrosion resistant speaker, harmonic horn sound, wireless microphone with start button, internal gel-cell battery, charging capabilities and manual. A secondary 40-watt speaker and up to ten 6-watt starting block speakers can be added to the Infinity Start System. The system also comes with an easy to carry handle.

INFSSM Wired \$850.00

INFTR Tripod \$170.00

CHAMPIONSHIP Start System (Champ start)

The new Championship Start System features the strengths of the Infinity Start System and adds the following:

Speakers: drives up to 20 40-watt (reflex) corrosion resistant speakers located under the individual starting blocks, as well as individual speedlights on each starting clock. **Microphones:** uses either wired or wireless microphones and has a volume control on

each microphone input. **Connections:** has external connections for additional strobe light, speaker output and start output. **Power:** The System runs off of external 12-volt power and has 2 internal Gel cell batteries. The internal batteries will automatically be charged while the starter is plugged in to the external power supply. There is an LED warning light on the system showing when the internal batteries are starting to get low on power.

CHAMP-SSM \$1,250.00

CHAMP-SS \$1,650.00

TR-3 \$170.00

DECK CABLES, ACCESSORIES, PACKAGES

Relay Judging Platform with Speedlight

RJPL2432	Relay Judging Platform - 24" x 32"	\$ 950.00

SC	Shot Clocks for use with SYS5 or SYS 6	1,475.00
DC-xx	Control Cable - per foot	.75

AquaGrip Touchpads

Regular Touchpads

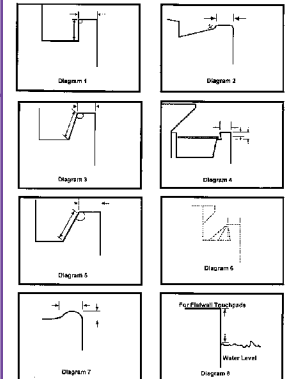

AquaGrip touchpads are constructed of a tough plastic backbone, the same design that all CTS touchpads have used for over twenty years. They respond to a touch that's remarkably light - but provide a push-off that's thoroughly firm. The patented AquaGrip texture is the best starting and turning surface available yet is gentle on swimmers' hands and feet. Brackets with Velcro® attachments make set-up easy. Choose from several standard sizes or order custom sizes to meet your needs.

- Internal full face switch
- Top edge on gutter mount touchpads
- AquaGrip non-skid surface
- All plastic construction
- Includes 10 ft. cable with molded connector
- Less than 5VDC on deck power required (electronically isolated at the timer)

PROFILE GUTTER DIAGRAM

When ordering touchpads, select the diagram that best depicts your pool gutter. Call for details!

TP-60	60" Regular surface	\$700.00
TP-60G	60" AquaGrip surface	725.00
TP-78	78" Regular surface	800.00
TP-78G	78" AquaGrip surface	825.00

CAD-TP/P Touchpad Caddy

Touchpad Caddy Provides safe storage and a convenient means to transport your touchpads to

the pool deck. Supports accommodate up to ten gutter-hung touchpads (five per side). Aluminum frame includes four free wheeling casters. Dimensions: 82" x 47" x 22" Weight: 105 lbs.

CAD-TP/P Storage Caddy \$900.00

Scoreboards and Display Systems

Colorado Time Systems' numeric scoreboards are a cost-effective way to provide information, involve the audience and showcase the athletes for all aquatic sports. Modules can be used singly or combined in multiple-module scoreboard designs. Designed specifically for the swimming pool environment, your scoreboard's high-quality construction resists corrosion in any environment, giving you years of trouble-free service. Numeric scoreboards can be set to display information for swimming, diving, water polo, synchronized swimming, track and other sports. The scoreboard may also serve as a time-of-day clock and pace clock.

LED-R	Single Line numeric Scoreboard-Red or Amber Digits	\$1,350.00
LED6-E/H	Six digit Event - Heat Display	1,150.00
LED6-H/G	Six digit Home - Guest Display	1,150.00
