Designed by coaches for high schools, colleges, and swim clubs. GridShape record boards offer the convenience, look, and quality you want for your pool . . . at a competitive price. The unique front-loading framing systems provides the following features and benefits:

- All information is applied to 4 mm corrugated plastic inserts and separated by our black anodized-aluminum front-loading framing system. This unique design takes the hassle out of changing records as each individual record is modular. This allows you to change each record in the comfort and safety of your office, not up on a ladder.
- The peel-and-stick vinyl letters (indoor/outdoor quality) will never fall off. There is no possibility of fabric sag, as there is no fabric. Letters and numbers are available in 8 different colors. The letter color choices are: black, white, red, green, yellow, blue, gold and silver. To personalize the board and show your school colors, the insert color choices are: black, white, cream, orange, red, green, yellow, light blue & navy blue, brown, and silver. Consider one school color for the event column inserts and a second color for the record letters (on white inserts).

Over the years we have developed a large selection of standard designs using 3" characters. However, boards using 2" and 4" letters are also available. Please keep in mind that these designs can be easily modified to meet your pool's needs (e.g.: eliminating diving records, adding a sponsor line, changing the order or events of the width of the columns), and usually for the same square-footage charge. Also, unlike the pre-printed header, the event column letters and numbers do not come pre-applied (these were shown for illustration purposes only). Please call for freight charges.

- Additional Letters – 3" - \$8.50/set 160 pcs.**
(minimum order 15 sets)
- 2" - \$7.50/set 167 pcs.**
(minimum order 15 sets)
- Additional Inserts – \$10.95 Individual Events**
(minimum order 25 sets)
- \$15.00 Relay Events**
(minimum order 20 sets)
