This design can be used in two ways:
 1) use 2" letters to record boys and girls records separately. You would use a 2" letter, one color for the boys records and another color for the girls. You would then put both records on the 5" x 31" panel. You would need to place the boards at eye level so the 2" letters can be easily read.
 2) Use 3" letters in one color only to display co-ed records for a co-ed team.
