RACING LANES

All lanes have 15 feet of solid color at each end – main body is alternating one-foot segments of color and white unless otherwise specified by customer. Specify color on order. Special combination lengths available on request.

COMPETITOR RACING LANES

Designed for optimum control of the water surface, our patented flow thru allows the waves to be dispersed along the channel of revolving disks. **COMPETITOR** lanes have been selected and used in the 1968, '76, '80, '84 and 1988 Olympic Games. Each lane comes completely assembled and is offered in a variety of colors and sizes to meet any needs.

Each **COMPETITOR** lane consists of a series of 4 or 6 inch plastic disk and donuts strung on a vinyl coated 3/16ths inch stainless steel cable. Each disk is designed to rotate independent of the others allowing the wave energy to be absorbed and dispersed along the channel provided within the lane.

COMPETITOR Racing Lanes are attached to the pool wall using a stainless steel tension spring at one end and a stainless steel/bronze ratchet reel at the other for proper tension.

Part Number	Description	Shipping Weight	1-4 Lanes	5 or more Lanes
200329	Lane – 60 feet	54	\$390.55	\$365.85
200330	Lane – 75 feet	68	410.95	384.95
200331	Lane – 25 meter	72	442.15	414.15
200332	Lane – 50 meter	141	847.60	793.95
200333	Special lane per ft. \$6.60 per ft. + hardware			

HARDWARE KITS FOR SPECIAL LENGTH LANES

Part Number	Description	1-4 Lanes	5 or more Lanes
200333AAA	Kit (reel & spring)	\$114.40	\$107.15
200333BBB	Kit (2 springs)	63.00	58.15
200333CCC	Kit (2 clevis)	90.05	84.35
200333DDD	Kit (2 reels)	166.65	156.10
200333EEE	Kit (reel & clevis)	128.35	120.25
200333FFF	Kit (spring & clevis)	76.05	71.25
