Kiefer Has Four Styles of Wave Eater Racing Lanes to perfectly suit your facility!

Wave Eater™ I

The original Wave Eater™ Racing Lane! Discs measure 4.5" in diameter by 5.125" long. The Wave Eater™ I is ideally suited for multi-use pools that are also used for U.S.S., high school and collegiate competitions.

Wave Eater™ II

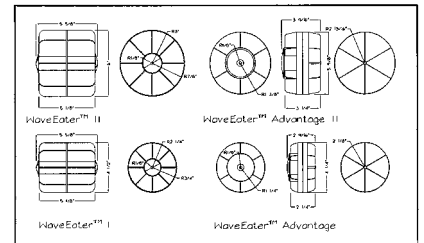

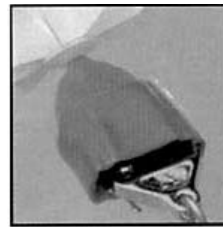

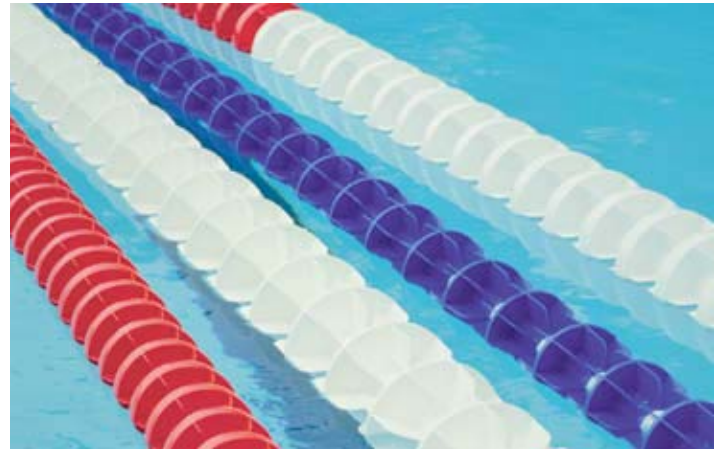

The racing lane use in the 1996 Olympic Games! Discs measure 6" in diameter by 5.125" long. The large disc size of the Wave Eater™ II is ideally suited for high-end competition including the Olympic Games. Used in the 1996 Olympic competition pool.

Wave Eater™ Advantage®

The original Wave Eater™ Racing Lane! Discs measure 4.3" in diameter by 2.75" long. The Compact float size and large fin guard make the Wave Eater™ Advantage® perfect for multi-use pools that are also used for age group and high school competitions. Used in the 1996 Olympic Games as Water Polo Course Markings.

Wave Eater™ Advantage® II

Discs measure 5.9" x 3.86" The Wave Eater™ Advantage® II racing lane is similar in design and features as our popular Advantage® float, only larger! Ideal for high caliber competition including collegiate, U.S.S., international and high school competitions. Also great for multi-use facilities.

Float Colors: Red, White, Navy, Royal Blue, Light Blue, Orange, Yellow, Green, Black, Grey, Purple, Maroon.
