

## POOL

### SAFETY LINES & FITTINGS

#### L. STANDARD POLYETHYLENE FLOATS

5" x 9" Floats for 3/4" rope

#917W White	\$3.40
#917B Blue	3.40
#917R Red	3.40
#917BW Blue & White	3.40

3" x 5" Floats for 3/8" rope

#916W White	\$1.70
#916B Blue	1.70
#916R Red	1.70
#916BW Blue & White	1.70

#### M. HANDLELOCK FLOATS

Eliminates need for float clamps. Simply twist float on rope to lock float unto rope securely.

5" x 9" Handlelock for 3/4" rope

#915BWB Blue White Blue	\$8.20
#915RWR Red White Red	8.20

3" x 5" Handlelock for 3/8" rope

#914BWB Blue White Blue	\$4.55
#914RWR Red White Red	4.55

#### N. POLYPROPYLENE LINE

Blue & white polypropylene line. Will not crack, fray or absorb water.

#932 3/8" dia.	\$ .50/ft
#933 3/4" dia.	.75/ft.

#### O. CUSTOM LIFE LINE

3/4" polypropylene line with 5" x 9" Handlelock floats (one for every five feet of line), two #929 rope clamps and two #920 swivel eye hooks. Comes unassembled.

#906	\$3.50/ft.
------	------------

#905 same as above but with #917 floats and #944 float keepers. . . 2.95/ft.

#### P. SAFETY LANE FLOAT KIT

Each kit contains Handlelock floats, 1 hook, 1 lid and blue & white rope.

#986 16 ft. kit, 5 floats.	\$23.50
#987 18 ft. kit, 6 floats.	29.60
#988 20 ft. kit, 7 floats.	30.90

#### Q. FLOAT KEEPERS

Permanently secures the #916 and . #917 floats to the line to prevent it from sliding. One set holds one float.

#943 For 3" x 5" float, 3/8" rope . . .	\$1.20/set
#944 For 5" x 9" Float, 3/4" rope . . .	3.40/set

#### R. ROPE CLAMPS

Chrome-plated brass clamps.

#919 For 3/8" rope . . . . .	\$5.40 ea.
#929 For 3/4" rope . . . . .	7.10 ea.

#### S. SWIVEL EYE HOOK

Chrome-plated brass hook for use with rope clamps to secure both 3/8" and 3/4" rope.

#920 . . . . .	\$14.10
----------------	---------

#### T. CLAMP TYPE ROPE HOOKS

Chrome-plated brass.

#PH52H For 3/8" rope . . . . .	\$14.00
#PH51H For 3/4" rope . . . . .	18.30

## BEACH

An effective, low-cost barrier system may be developed by using these barrier float buoys along with Handi-Lock floats. Position Handi-Lock floats at 3' intervals and buoys at 36' intervals. Example: 500 feet of economical barrier system would require 500 ft. of 1/2" rope, 167 Handi-Lock floats, 14 barrier float buoys, and 2 rope hooks.

### BARRIER FLOAT MARKER BUOY

**12-324 12" x 36" \$145.40 Each**

For use in assembling barrier/swim area systems. High density foam with molded eyebolt connection and continuous passage. "SWIM AREA" only. Dimensions: 12" x 36" Weight 13lbs.

(UPS-oversized)

### LOK-ON ROPE FLOATS

Here's an ingenious, trouble-free solution to an old problem! Our new Lok-On Rope Floats stay put when you lock them in place. The easy-to-use Rope-Lok securely positions the float wherever you want it - no more wandering floats! UV inhibited colors and a leak-proof, tough outer shell make this rope float practically indestructible.

Choose from three versatile sizes and color combinations. Blue and white with red center band (.B), yellow and white with red center band (.Y), Red and white with blue center band (.R). Rope locks sold separately to fit desired rope size.

14-387	3" x 5" Float (case of 24)	\$217.25
14-388	5" x 9" Float (case of 24)	353.10
14-389	8" x 14" Float (case of 12)	544.90
14-391	Rope-Loks (case of 24) 3/8" up to 1/2" rope diameter	10.65

## REGULATORY BUOYS AND CHANNEL MARKERS

Ideal for marking swimming areas indicating channels or for conveying many types of waterfront information. These buoys include a rock-hard shell and high visibility with a variable density core which will withstand years of total submersion without loss of buoyancy. Available with the following wording:

KEEP OUT	12-320.KO	NO SWIMMING	12-320.NS
NO FISHING	12-320.NF	DANGER	12-320.D
SWIM AREA	12-320.SA	SLOW-NO WAKE	12-329.SN
NO BOATS	12-320.NB		

Special quotations will be provided for unusual symbols or wording.

**12-320 Regulatory Marker Buoy \$329.70 Each**

12" x 59" buoy molded from heavy duty, rock-hard shell with 1/8" wall thickness; resists the hardest blows, acids, and weather extremes. **Must Ship Motor Freight** Dimensions: 12" x 59" Weight: 38 lbs  
 Replacement labels & orange tape available

### SAFETY LINE KITS

These heavy-duty floating safety lines are constructed from high-test floating ultraviolet-resistant polypropylene rope with bright colored puncture-resistant floats. They're ideal for any type of beach front, swimming pool safety lines or marker ropes. Available in blue and white in 30', 40', 50', 75', 83', 100', 170', 200', & 300' kits.

12-378 3/8" Safety Line Kit	\$2.50/ft.
3/8" polypropylene rope, 3" x 5" Handi-Lock Floats to be Spaced on 2' centers.	
12-380 3/4" Safety Line Kit	\$2.25/ft.
3/4" polypropylene rope, 5" x 9" Handi-Lock Floats to be spaced on 5' centers.	

How to order a safety line kit:

- Determine the exact length of rope needed.
  - Add 6" to allow connection of rope hooks.
  - Select rope hooks from above.
- |                                     |         |
|-------------------------------------|---------|
| 14-472 3/8" Fixed Style Lever Hooks | \$7.30  |
| 14-465 3/4" Fixed Style Lever Hooks | \$9.50  |
| 14-458 Bull Dog Clamp, Permanent    | \$66.60 |

We recommend the Bull Dog Rope Clamp for permanent installations, and the fixed style lever rope hooks for removable.

**NOTE:** Safety Line Kits are not preassembled. Hooks or attachments should be ordered separately.
