ANTI-WAVE STORAGE REELS

Ultimate Storeel

You will love our new super-capacity, stunning looking, easy to handle lane Storeel - And you won't believe the incredible price!! We are proud to offer a Storage Reel large enough to hold a full set of lanes, at a price which will blow away the competition. Our new "Ultimate" Storeel is made of top quality coated aluminum (including the Wheels—not the flimsy plastic version you find on other Reels!), with a 6" diameter center spool (designed to eliminate the possibility of damage to the discs), and with a spool width of 79 inches (or SIX FEET SEVEN INCHES WIDE). We of course have a 3-Year Warranty for the "Ultimate" Storeel.

COMPETITOR® Stor-Lane® Reel

Stor-Lane Reel – for proper storage and easy installation and removal of Competitor Racing Lanes, the Stor-Lane Reel can accommodate up to 540' of 4" lanes + 330 ft. of 6" lanes. Designed for easy maneuverability around the pool, deck, using 5" swivel casters with individual brakes. The main framework is electroplated aluminum which supports the thermo formed plastic reel assembly. Overall dimensions are: 68" x 46" x 58".
Weight 110 lbs.
Color available: Blue.

REPLACEMENT PARTS AND HARDWARE

Stor-Lane® Reel Cover

Stor-Lane Reel Cover – to maintain proper storage of your Stor-Lane Reel and Racing Lanes, this vinyl cover is a must. Made of Dark Blue tear resistant vinyl can be used for seasonal storage or everyday use. Protects the lanes from the damaging ultra violet rays, which over long periods can break down plastics. Weight 14 lbs.
