#36201	Nets/Pair	462.15
#36202	Backing/Pair	1104.20

AW0616 Antiwave Universal

The "Universal" wall goal conforms to all National and International standards. It's one-piece welded upright/crossbar assembly, top and bottom braces, rear arms, cross braces and rebound canvas frame are all made from white power-coated aluminum extrusion. The net is made of woven cross-fiber polypropylene, with the surround netting made of knotted polyethylene cord. **Two stainless steel deck anchors come with each goal.** The rear arms are adjustable vertically and horizontally for use in a pool's shallow or deep ends.

AW0616	Antiwave Universal Wall Goal	\$1774.95
AW0645	Universal Net	143.45
AW0644	Universal Canvas	143.45

ANTIWAWE "FLIPPA" Folding Goal

The "Flippa" floating goal is a two-thirds size version of our very popular "Club" goal, with the added benefit that it folds flat for storage. Once folded the "Flippa" goal can be carried easily under one arm. Flotation panels are durable hand-laid fiberglass; Front frame & rear bar are white powder-coated aluminum; Rear struts are 1" diameter nylon rods; Net & rope are polypropylene. All fittings are stainless steel. Ideal for practice, residential & club pools.

AW0672	Anitwave "Flippa" Goal	\$902.05

ANTIWAWE "ODYSSEY" Floating Goal

The "Odyssey" floating goal is quite simply the finest on the market. The "Odyssey" was used in the Sydney Olympics; indeed it was designed specifically for the Sydney Aquatic Centre in anticipation of the Olympics. All metal parts are made of durable aluminum extrusion or tube, and are powder-coated white for appearance and long life. The float panels are heavy duty hand-laid fiberglass, and the net is tough polypropylene knotted at every intersection. The "Odyssey" goal is not only beautiful, it is highly effective, and comes of course with a 3-Year Warranty.

AW0550	Odyssey Floating Goal	\$2122.75
AW0643	Odyssey Net	121.45
AW0572	Odyssey Floation Pads	168.85

ANTIWAWE "CLUB" Floating Goal

You will love our new super-quality, stunning looking, easy to assemble "CLUB" goal - And you won't believe the incredible price!!

You know AntiWave for the quality of our products ("ForeRunner" and "Maximum" lanes, the unique "Supertensioner", The "Odyssey" goal and the "Ultimate" Storeel). Now we are proud to offer the "Club" goal, a floating water polo goal at a price which will delight you. Our new goal is made of top quality coated aluminum extrusion for the one-piece welded upright/crossbar assembly, for the back brace, and for the rear struts, while the floatation panels are made of heavy-duty hand-laid fiberglass. The net is of tough polypropylene mesh.

AW0620	Club Floating Goal	\$1333.75
