## A. ECONOMY PADDLE RESCUE BOARD

Our Economy Rescue Board is specially priced so safety and rescue classes can afford several for excellent "hands on" training. It is constructed from polystyrene, with an aluminum reinforced core for added strength. Due to its length, it must ship via motor freight. Dimensions: 9' x 2' Weight: 19 lbs.

**CW-312 Economy Paddle Rescue Board** . . . . . \$268.00

## B. PADDLE RESCUE BOARD

Our Paddle Rescue Board takes our economy board one step further by adding an additional covering of tough yellow ABS plastic and a rugged PVC rub rail. These two additions substantially increase the board's strength without dramatically increasing its price. Due to its length, it must ship via motor freight. Dimensions: 9' x 2' Weight: 25 lbs.

**CW-314 Paddle Rescue Board** . . . . . \$420.95
