

HEAD IMMOBILIZER

Used for immediate and complete head and cervical immobilization. This head immobilizer secures firmly to a spineboard in seconds. It features a single unit construction to fit all head sizes. The cover is made of durable water-resistant material that is removable and washable. The head immobilizer protects the head and neck from further injury and comes complete with head/shin straps and pressure-sensitive cloth fasteners.

Dimensions: 14" x 12" x 4"

Head Immobilizer CW-287 \$102.95

UNIVERSAL HEAD IMMOBILIZER

This unique head immobilizer allows for 2 hygienic foam head supports to be adjusted for a secure, comfortable support. Comes complete with head and chin strap.

Order Adhesive Fasteners for board side separately (12-286).

Weight: 2 lbs.

12-783 Universal Head Immobilizer . \$106.95

12-783C Replacement Chin Strap \$25.95

KIEFER UNIVERSAL HEAD IMMOBILIZER

Our new improved head immobilizer is custom tailored to fit any spine board. The side blocks (held in place with extra strong velcros that works even in water) are adjustable, shifting to accommodate almost any angle. The head an chin straps hold the head securely in place. This unique head immobilizer with adjustable baseplate allows the immobilization of adults, small children and infants. Soft foam blocks give firm but resilient support with a clean, hygienic surface. Easily attaches to spineboard with all Velcro strapping.

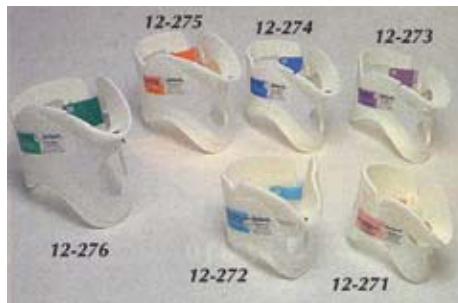

603445 Kiefer Head Immobilizer \$85.95

AMBU PERFIT EXTRICATION COLLARS

Our new, patented one-piece design provides for the maintenance of neutral alignment, and provides excellent protection against lateral sway or anterior-posterior flexion during patient transport. The Ambu PerFit collar is easy to use, and its highly visible sizing line and color coding help make proper size selection a breeze.

Ambu Extrication Collars \$18.75 ea.

PerFit Collar Infant	12-271	PerFit Collar Short	12-274
PerFit Collar Pediatric	12-272	PerFit Collar Regular	12-275
PerFit Collar Neckless	12-273	PerFit Collar Tall	12-276

Consider some of these features of the new PerFit collar:

- Rigid, one-piece construction for ease of use and superior immobilization.
- Extra-large trach opening for better patient access.
- Full foam-lining for improved patient comfort.
- Six sizes available, in familiar increments from Infant through Tall.
- Standardized color-coding for easy size identification and selection.
- Genuine Velcro® hook and loop closures provide more secure support and are easier to clean.
- Folds completely flat for storage.

RESCUE SPINEBOARD ACCESSORIES

V-BODY HARNESS

Consists of a single unit of five (5) color coded body straps: one vertical and four separate adjustable horizontal straps.

CW-270
V-Body Harness
\$80.95

RESTRAINT STRAPS

These straps are made of highly stain-resistant, foam-filled nylon. Extremely flexible length is possible due to the large amounts of velcro on each strap (36" on the long straps and 30" on the short straps). There are two types available that can be used together or separately depending on the type of spineboard being used. The short straps are recommended for ankle and wrist restraint only.

Orange Body Restraint Straps
Set of three long straps
Dimensions:
65', 60', 50' x 2' width
CW-288-0 \$44.95

Long Body Straps
Fulfills "cross chest" restraining requirements - and then some!
COLOR: Orange
Dimensions: 75" x 2" width
CW-285 \$21.50

Set of Two Ankle Straps
COLOR: Orange
Dimensions:
22" x 2" width
CW-289 . . . \$24.00

Yellow Body Restraint Straps
Set of three long straps
Dimensions:
65', 60', 45' x 2' width
CW-288-Y \$51.95

WRIST-LOK SYSTEM™

A multi-directional loop that slips over the body strap which secures the abdomen on the backboard. Then with both hands (wrists) crossed on the abdomen, the V-Wrist straps are pressed together around the wrists and are secured . . . Very secured!

12-299 Wrist-Lok System \$27.50

HEAD IMMOBILIZER ADHESIVE FASTENERS

Pressure-sensitive adhesive fasteners allow you to use your Head Immobilizer on more than one Spineboard. Perfect for facilities with a variety of rescue equipment and flexible needs. Set of 6 fasteners (enough for one Head Immobilizer).

Head Immobilizer Adhesive Fasteners
12-286 (Set of 6) \$18.00
12-296 \$27.75
