ROVER SEMIPERMANENT

Designed for those pools where the lifeguard chair must be anchored yet still be capable of being readily moved. (In Sunbelt states chairs might be moved to opposite sides of the pool each day to keep the sun out of the guard's eyes.) The rear legs are set into sockets anchored in the deck, while the front legs with wheels allow for easy relocation. Furnished with two pairs of anchor sockets for two locations, additional sets must be ordered separately.

WHEEL-A-ROUND MOVABLE

An ideal solution for a chair that is needed at different locations at different times. Both rugged and stable, yet can be easily moved by one person. The semipneumatic wheels roll easily on deck or lawn. The perfect chair for supervision, instruction, and judging. The wide ladder at front leads directly to platform. Available with seat at eight-feet or six-feet above deck. (Not suitable for diving.)

I.D.#	Step	Each	2+
I.D.# 20301	8-feet	\$3679.70	\$3465.75
