B100 POOL SPLASH & SLAM

Portable regulation size pool basketball unit. Super sturdy set (the water-filled base weighs 500 lbs. when full) is fun for all ages. Fixed rim height is 46" above deck and the backboard has nearly 2 foot overhand, keeping the action safely away from the pool's edge. Four-way

leveling system accommodates unlevel or sloped pool decks. Easy to set up and move without tools. The **rim** is a heavy gauge steel with a special thick vinyl coating. The **backboard** is molded of structural fiberglass. The aluminum post has durable powder coated finish. The **base** is molded of super tough polyethylene. All hardware is stainless steel. Authorized for commercial use. Complete with regulation color matched ball. FULL THREE YEAR WARRANTY!

Each \$739.95 **2+** \$599.95

Swim N' Spike

The Swim N' Spike Volleyball is designed for use on in-ground pools in shallow water areas. The standard games will fit pools with a width of no less than 30 ft and no more than 56 ft depending upon model ordered. Special order games are available for pools not fitting in the width range. The Swim N' Spike includes two 1.90" O.D. x .065" wall x 54" length type 304 stainless steel posts with removable stainless steel eyebolts which anchor the net. The net is a high quality competitive one, adjustable for multiple width pools. The net is made of nylon rope netting and ties to the uprights by means of an upper and lower rope. Grommets and tie cords are included. It is packaged with a competitive water volleyball and needle. Also, two in-deck bronze anchors (AS-100D) for concrete decks are required to install the game, and are included.
