WARRANTY

Quality assurance is one of the top priorities for us at Rocket Science Sports. That is why we have one of the most comprehensive warranties in the industry today for all products designed and manufactured by us. My pledge to every customer is that everyone at Rocket Science Sports will go above and beyond to keep our customers happy and satisfied with our products and the level of customer service they receive.

All Rocket Science Sports products carry a limited warranty to the original owner against defects in materials and workmanship for one year from the purchase date. If any of our products fail due to manufacturing defects, we will repair or replace it, at our discretion, at no charge to the original owner. If damage occurs due to accident, improper care, or negligence, we will repair the product for a nominal charge to cover our costs. This charge will be evaluated at the time of return. Our warranty becomes null and void on any product that is used for any activity other than its intended use, if the product is misused or abused, or is altered after purchase. The warranty of the product is nontransferable.

Sincerely,

Marcin Sochacki
President/CEO
